Provider overview

With over 90 years' experience in delivering expert aged care, HammondCare is a leading provider of care for people with complex needs including dementia. HammondCare Darlinghurst offers a permanent home and trauma-informed care for older people facing or experiencing homelessness. By providing compassionate care in a familiar home setting, HammondCare Darlinghurst helps individuals regain stability and improve their quality of life. The multi-level home has four apartments with single ensuite rooms. Each apartment has a distinct care profile to cater for diverse needs including low to high care, complex health needs, and female-only accommodation. Care team members receive specialised training and use a relational approach

to provide 24/7, registered nurse-led care. They learn about each person's history, passions, values, and hobbies to help them maintain a fulfilling life. Additional personalised services are provided to enhance comfort and quality of life.

All information on this page - excluding Star Ratings and verified specialisations - is entered and maintained by HammondCare - Darlinghurst who is responsible for ensuring the information is accurate, complete and up to date. This information was last updated on 30/6/2025.

Services that have a tick mark next to them in the Specialisations section of this page are verified by the Department of Health and Aged Care. After the initial verification, the Specialisations are reviewed every three years. [Read more about how the Specialisation verification process works.](#)

The Department of Health and Aged Care assessed the quality of care at all government-funded aged care homes. Based on these assessments each home receives a Star Rating as a simple way of showing information about the quality of care they provide and how they compare to others.
