Services that have a tick mark next to them in the Specialisations section of this page are verified by the Department of Health and Aged Care. After the initial verification, the Specialisations are reviewed every three years. [Read more about how the Specialisation verification process works.](#)

The Department of Health and Aged Care assessed the quality of care at all government-funded aged care homes. Based on these assessments each home receives a Star Rating as a simple way of showing information about the quality of care they provide and how they compare to others.
