All information on this page - excluding Star Ratings and verified specialisations - is entered and maintained by St Lukes Nursing Home who is responsible for ensuring the information is accurate, complete and up to date. This information was last updated on 28/7/2025.

Services that have a tick mark next to them in the Specialisations section of this page are verified by the Department of Health and Aged Care. After the initial verification, the Specialisations are reviewed every three years. [Read more about how the Specialisation verification process works.](#)

The Department of Health and Aged Care assessed the quality of care at all government-funded aged care homes. Based on these assessments each home receives a Star Rating as a simple way of showing information about the quality of care they provide and how they compare to others.
